CHILDREN'S BIBLE HOUR

Praise the Lord for His continued faithfulness to His ministry Children's Bible Hour! We have gone through a difficult time recording schedules of the children

to their busy school schedules and church activities. The Lord has kept the hearts of the drama cast enthusiastic and fervent in this special ministry. Thank you for your prayers!

The Lord has encouraged us through these letters:

"I Thank God for the Children's Bible Hour so that I can read stories in the Bible about Jesus. I can hear and get more lessons and memory verses too. I enjoy the program. May it last forever."

- Meri Fe Perasol

"We thank God for the program Children's Bible Hour Bible Adventures. We enjoy listening every Saturday."

- Relyn Faith Dasas

Pray for us as we continue to reach more children
